

# INVITATION POLICY CONFERENCE OF THE EU PROJECT DIGICARE4CE

Digital Transformation of long-term-care facilities for older people

We warmly invite you to our Policy Conference of the  
**DigiCare4CE** project!

**When?** Wednesday, 19. November 2025

**Where?** Health Agency of Lower Austria (*NÖ Landesgesundheitsagentur*)  
Stattersdorfer Hauptstraße 6/C, 3100 St. Pölten, AUSTRIA

**Time:** from 09:30 - 15:00

After three years of intensive collaboration, we will be presenting the results of our project on digital transformation in long-term care at the DigiCare4CE Policy Conference - from the DigiCare4CE online tool we developed, to insights into tested innovations in long-term care facilities and lessons learned.

You can look forward to exciting insights, inspiring contributions from experts and best practices from our project.

Kindly register at [office@healthacross.at](mailto:office@healthacross.at) and feel free to contact us if you have any questions.

More information  
about the project:
